

RBS Spotlights Black-Owned Suppliers

February 23, 2024

As we continue to celebrate Black History Month, we're spotlighting a few certified Black-owned suppliers that have products available through Ahold Delhaize USA brands. From tasty all-natural breakfast options to savory comfort dishes made with whole food ingredients, these diverse, delicious items from Black-owned businesses allow us to provide customers with a wide array of selections. Check out our supplier spotlights below:

BLK & Bold

[BLK & Bold Specialty Beverages](#) is a brand built on lifelong friendship, shared values and a love for coffee and tea. Co-Founders Pernell Cezar and Rod Johnson continue to execute their vision of uniting coffee and tea lovers worldwide while investing in the youth and community. BLK & Bold pledges 5% of its profits to nonprofit organizations that empower children to thrive. BLK & BOLD can be found at Hannaford and The GIANT Company stores.

Myles Comfort Foods

[Myles Comfort Foods](#) is a line of protein packed, indulgent, easy-to-prepare comfort foods using only whole food ingredients. They call themselves “the mac and cheese with moxie.” Myles Comfort Foods’ authentic soul food recipes savor the nostalgia of childhood flavors with the wholesome ingredients that would gain your grandparents’ approval. Myles Comfort Foods can be found at Stop & Shop and The GIANT Company stores.

Blanket Pancakes

[Blanket Pancakes and Syrup](#) provides quality fluffy goodness made with all natural ingredients. This company produces their products without artificial preservatives, high fructose corn syrup, aluminum? or artificial coloring. Blanket’s pancakes are quick, easy and only require water to make and enjoy! Blanket Pancakes and Syrup products are available in Food Lion and Hannaford stores.

We support all our Black-owned suppliers as they continue to provide all great food options for our customers!
